Yes to both requests. He can be on the distribution list and you can send him Harry's recent update.

Chris,

Justin Brooks from FEMA R9 called asking that they be put on the list for Gold King Mine updates, due to Navajo Nation has put out a disaster declaration. Their email is: FEMA-R9WATCHOFFICER@fema.dhs.gov.

He also asked for the latest update – can I send him the one Harry put out last night?

Thanks, Rameen
